

## Quick Guide to Cadence Online Training

Two steps:

- Trainee needs to have COS (Cadence Online Support) website login\*.
- Then Trainee can access to all the online trainings listed in COS website.

\*for Cadence existing customers only.

### Step (1)

Please register Cadence Online Support (COS) website:

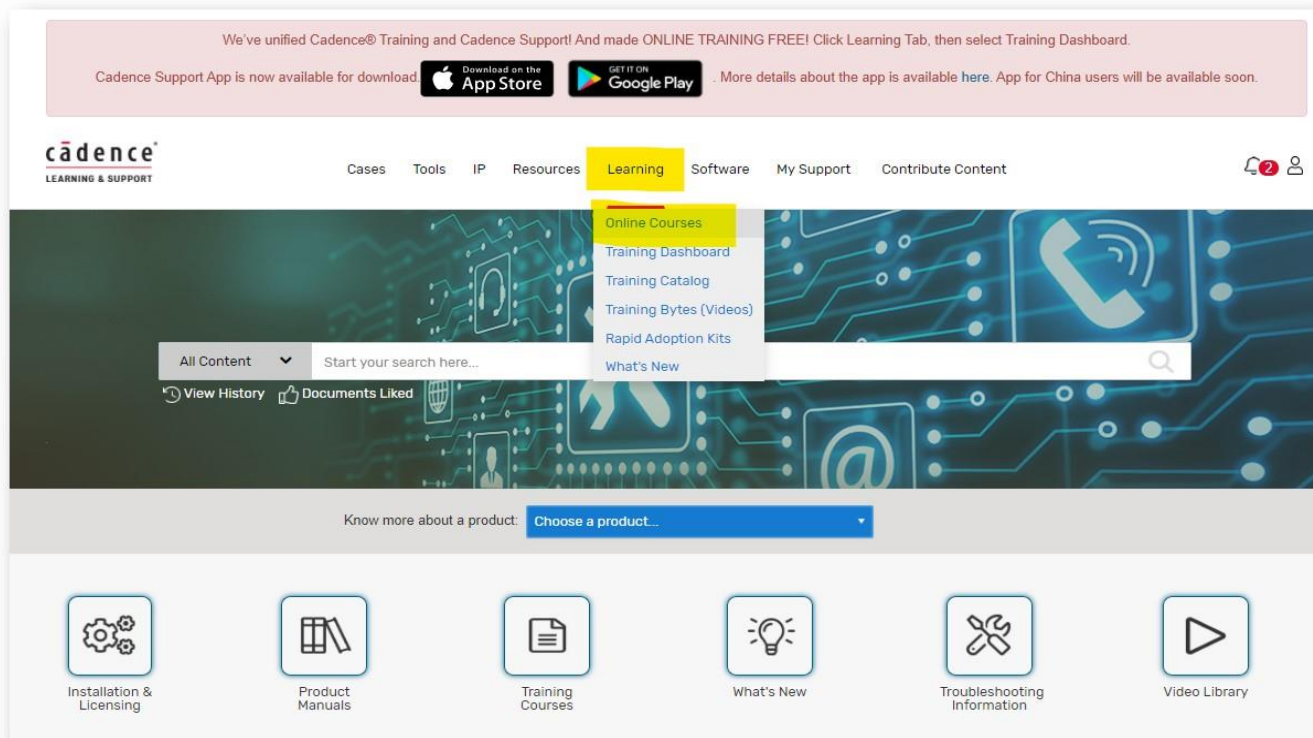

1. <http://support.cadence.com/>
2. Please click “register now”.
3. Please complete the information. You will get (OTP: One Time Pin) in your email box.
4. Please use OTP and fill in more information as instructed.
5. **Note: you need to fill in valid host ID (with maintenance contract).**
6. Complete.

### Step(2)

After you have COS account, please login to <http://support.cadence.com>

You can find all Online Courses in COS website.

Choose the course you need >> Click ENROLL >> START LEARNING NOW >> agree to “License Agreement”, and then you can start the course. Enjoy!
